

College-Transition Assignment

Step 1: Reading and reflection.

Read **the articles** (the first two articles required while the third one optional) below by Dr. Brian Harke, Dean of Students, University of Southern California regarding the transition to college. Spend time to **think over the questions in the end of the articles** in the first two articles.

- i. High School to College Transition, [Part One: The Freshman Myth](#)
- ii. High School to College Transition, [Part Two: Academic Expectations](#)
- iii. Optional: [How to Make a Smooth Transition to College](#)
- iv. [More related articles](#) from Brian Harke.

Step 2: Discussion and sharing.

Participate in the discussion in the class and share your thoughts with others in the class.

Step 3: Submission of your work through Canvas.

Put down the thoughts you have in response to at least 2 of questions **for each of the first two articles** (i.e. 4 questions together at least). Submit what you write down through Canvas.
